Facilities Corner 2.0

As we prepare to open our dining rooms back up to the public, here are a few house keeping items to double check before our customers get their 1st look inside our buildings in over a year:

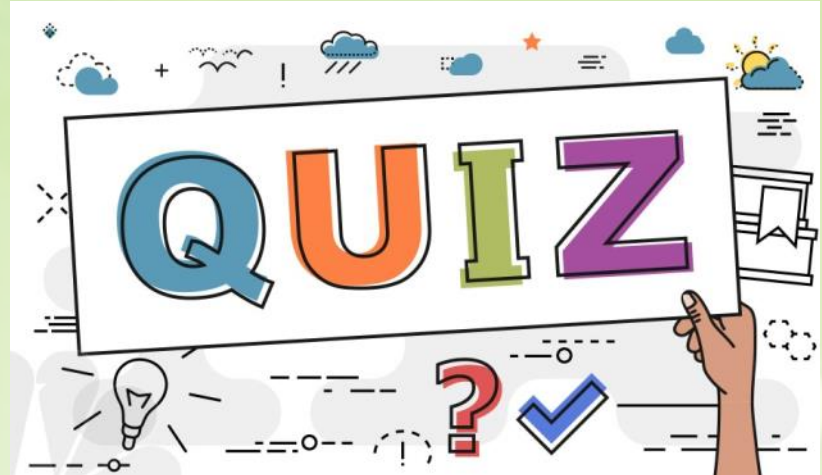

- ☑ Are all ceiling vents dust free?
- ☑ Are all lights working and are all the light bulbs in your pendant lights the same color?
- ☑ Is all the hardware on your condiment and trash enclosures in good shape? (Missing handles, magnets not keeping doors closed?, etc)
- ☑ Do you have any rips or holes in any booths? Do all the chairs have all their feet?
- ☑ Is your interior menu board dust free and bright?
- ☑ Ensure all high chairs/booster seats are clean and the straps are in good shape.
- ☑ Are our restrooms in great shape? Toilet paper dispensers mounted to the wall and locked?
- ☑ Soap dispensers look clean and work properly?
- ☑ Toilet seats are tight?
- ☑ Restroom, floors, walls, ceilings, ceiling vents and baseboards all clean?

Remember, We will only get 1 chance to make a Great 1st Impression!!
